David Lane,

Thank you for your kind call this morning.

I have addressed your concern about item #2 to our web master and manager.

We will be addressing this in the coming weeks.

You have permission to copy and reproduce and distribute the Icom America Inc's
Comic Books, all volumes and coloring books.

You can do this as you help organize and promote Amateur Radio and Emergency
Preparedness.

Should Kinko's have any problems or questions they can contact me directly.

Thank you for your kind support.

Sincerely,

Maureen
